

A LEAP TO A BOLD FUTURE

2024 ANNUAL REPORT

*A year of reconnecting
passionate alumni,
supporters, mentors, and
local advocates.*

MISSION

To create and support one-to-one mentoring relationships that ignite the power and promise of youth.

VISION

For all youth to achieve their full potential.

PASSION

To see all children achieve success in life.

A Message from Our CHIEF EXECUTIVE OFFICER

JOSETTE RIDER

Dear Donors, Volunteers, and Supporters,

As I look back on this past year at Big Brothers Big Sisters of Northeast Indiana, I am filled with a deep sense of gratitude. 2024 was a year of renewal—one marked by resilience, growth, and a powerful recommitment to the young people we serve. But more than anything, it was a year shaped by you. Your belief in our mission, your generosity, and your willingness to stand with us made every single success possible.

Big Brothers Big Sisters has always been built on the idea that many people, each doing a little bit, can create something extraordinary. In 2024, that truth was on display every day. It showed up in volunteers who carved out time to mentor a child, in donors who invested in possibilities, in partners who opened doors, and in staff who worked tirelessly to nurture meaningful connections. Together, you created a foundation where our Littles could feel valued, supported, and hopeful.

2024 was also a year of important achievements. At the BBBSA National Conference, our agency was recognized among the top in the country—earning a Silver BIGGIE Award for video, a Gold BIGGIE Award for our year-end campaign, and one of the coveted Growth Awards. These honors affirmed our comeback, our momentum, and our place as a leading BBBS chapter nationwide. But more importantly, they reflected the collective heart of this community.

Our “Everyday Heroes” volunteer recruitment campaign reminded us that the mentors who transform children’s lives aren’t superheroes—they are ordinary people who choose to show up in extraordinary ways. And show up they did. New volunteers stepped forward, alumni reconnected, and longtime friends of our mission leaned in with renewed dedication.

We brought back beloved traditions that celebrate the everyday champions of our work, including the School Buddy & Real Men Read Luncheon. We revitalized our Alumni Program, strengthening a network of Bigs and Littles who continue to carry the mission forward. And we honored outstanding volunteers whose commitment embodies the spirit of mentorship:

- Big Brother of the Year: Chase Lockwood
- Big Sister of the Year: Alma Jimenez
- Big Couple of the Year: Nick & Alyssa Utter
- School Buddy of the Year: Sandra Brown

Their stories—and yours—remind us why this work matters so deeply.

Our Big Futures program thrived as well, expanding opportunities that prepare young people for life after high school. From job tours and campus visits to hands-on skill-building experiences, 2024 opened new doors for dozens of young people. Two of our Big Futures Littles were even selected to attend Capitol Hill Day in Washington, D.C.—an unforgettable chance to learn, explore, and envision their future on a national stage.

Across the country, 2024 was a milestone year for the BBBS movement. Ulta expanded its support for youth mentoring, benefiting local agencies like ours. And our national organization celebrated its 120th anniversary, recognized by the U.S. Senate for more than a century of impact on children and communities.

Here at home, the heart of that legacy beats through every match, every milestone, and every moment of connection you made possible.

As you read this annual report, I hope you see what I see: a year defined by generosity, compassion, and possibility. You helped us honor the past, rebuild our momentum, and step boldly into the future. And for that, I am profoundly grateful.

Thank you for giving your time.

Thank you for sharing your resources.

Thank you for believing in what is possible when a community comes together for its youth.

I cannot wait to see where your support leads us in 2025.

With deepest gratitude,

Chief Executive Officer
Big Brothers Big Sisters of Northeast Indiana

A Message from Our BOARD PRESIDENT

JOHN MARSHALL

Dear Donors and Supporters,

Throughout 2024, Big Brothers Big Sisters of Northeast Indiana celebrated some tremendous wins for our agency, leaving me with nothing but pride and appreciation for everyone who has made our successes possible. As I detail the highlights of this year, know that none of this would be possible without you, our champions, advocates, donors, and supporters. However, it also takes an impassioned leader to skillfully navigate changes and challenges. To have a CEO like Josette, who has dedicated 25 years to the agency and touched countless lives, is an honor, and it speaks to the commitment and passion this agency's mission inspires.

In 2024, we rounded out a few major marketing projects using the ARPA grant funding received in 2023. To increase our brand awareness and, in turn, draw more people to our agency and volunteer opportunities, this funding was put towards carefully selected marketing materials. We were able to purchase several billboard ads, along with a car wrap and booth merchandise to promote branding and drive volunteerism.

This year, with assistance from an AWS Foundation grant, BBBS was able to continue its commitment to inclusive and equitable programming through Littles Without Limits. This initiative allowed Bigs, Littles, and staff to access supplementary training and informative content on different types of disabilities, along with appropriate language and etiquette. Additionally, this grant allowed us to partner with various disability-focused organizations and individuals to bring expert sessions, showing our dedication to excellent service.

Our partnerships with those in the community flourished in 2024, drawing new organizations to the mission and bringing current partners into deeper collaboration. Purdue Fort Wayne organized a special charity game between their men's basketball team and Notre Dame's to donate half the proceeds to our agency. The Trans-Siberian Orchestra once again demonstrated their commitment to giving back to the

local communities they tour in, donating \$1 from every ticket sold to BBBS. Finally, Fort Wayne Metals took their already-strong partnership with us to another level by "adopting" a local elementary school to fill with their employees who volunteer as School Buddies.

The Frank Zirille Scholarship continued the momentum started the year before through selecting the second-ever recipient, Jordan DeWalt. Our intern and former Little Sister, Irasema, was instrumental in getting this scholarship off the ground, spending the summer creating outlines, processes, and putting together the necessary paperwork.

Finally, 2024 brought expansion to our College Connections+ program, which was introduced the year prior. The program is now offered at Purdue Fort Wayne, which began a more robust partnership with the school.

Our agency's future once again has a bright road forward thanks to you and your contributions. Every effort has culminated in the successes we have been rewarded with this year, leading to our optimistic outlook on the future ahead. Thank you for your commitment to the mission, leading your community's youth towards their fullest potential through impactful mentorship programs.

With sincere thanks

CHASE LOCKWOOD & GABE

Big & Little Brothers of the Year

Big Brother Chase has been matched with his Little Brother Gabe for 7 years now! The outgoing Little Brother Gabe has been through thick and thin with his Big Brother and has learned so much—becoming the confident and respectful young man he is today.

Over the years, they have worked on respecting boundaries and choosing positive influences. By now, both feel like they have changed for the better because of their friendship.

Chase shared what he has learned over the years being a Big: "It's really been interesting, being a Big Brother, especially because I have three kids under five. In a way, I had Gabe before I had any of my kids now. Gabe taught me how to be a dad!"

ALMA JIMENEZ & YURIDIA

Big & Little Sisters of the Year

Big Sister Alma and her Little Sister Yuridia first met a decade ago and have built an unshakable foundation of friendship since.

Yuridia said, "I like being able to experience new things in life with my Big." And after 10 years of being matched, these two have entered many new life stages—together!

At 17 years old, Yuridia is at a new stage in her life: preparing for life beyond high school!

Thankfully, she has a Big Sister who will be there for her on this new journey, offering wisdom and guidance when life brings new challenges.

NICK and ALYSSA UTTER & CHRISTOPHER

Big Couple of the Year

Big Couple Nick & Alyssa have been matched with Little Brother Christopher for 7 years! There's nothing this match can't face when together. And there's no place they'd rather be on a Sunday after church than with each other, eating a home-cooked meal.

Christopher is now 18 years old, and his self-confidence and growth throughout their match gives his Big Couple a lot to brag about—especially since he recently graduated from high school!

Big Brother Nick said, "We have absolutely loved watching our Little learn and grow through the last 5+ years. Seeing him try new things, learn what he enjoys, and follow his heart has been so fun."

SANDRA BROWN & TEMPI

School Buddies of the Year

Big Sister Sandra and her Little Sister Tempi are from Adams County. Tempi's most asked question at school is always: "When am I going to see my lunch buddy next?"

Whenever Tempi needs someone to talk to, her School Buddy Sandra is just the person she is looking for to lend a listening ear and a piece of comforting advice. And Sandra is a great mentor, always setting boundaries and guiding her Little on how to make wise choices.

But their story doesn't end with graduation from School Buddies.

Sandra and Tempi are excited to continue their 2.5 years of friendship past the school walls, having transitioned to Community-Based.

CLASS OF 2024

Every year, we recognize our graduating Littles and their incredible accomplishment as they head onto the next phase in their lives.

Together with Bigs, BBBS staffs, and board members, we embrace their potential and their big futures ahead.

We are thankful for our Sponsors, Partners, and Donors who have supported Big Futures.

A very special thank you to

for empowering the full potential of the children we serve

Big Leap LITTLE SISTER TA'KOREI

Little Sister Ta'Korei debuted her singing career in 2024, beginning a series of performances around Fort Wayne!

Her success in showcasing her talent continued when she won first place in the 2024 Center Stage Talent Show, hosted by Turnstone. Her variety performance, complete with backup singers, dancers, and a band, won her first place and a prize of \$5,000. This young dynamo turned heads and cemented her place in Fort Wayne's list of rising talent.

This isn't the first time she has taken home a prize for her vocals, winning "triple-threat" twice in years past at the Talents of the Arts competition in Florida.

One person who has cheered her on every step of her budding career is her Big Sister Felisha, whom she was matched with in 2011. Felisha once described her Little Sister as a "force to be reckoned with," and we'd have to agree.

Real Men Read TAKING READING TO NEW HEIGHTS

This past May, Levan Scott Academy students witnessed an event they won't forget: the Michael Hayes Flight Plan.

Although many aircraft fly over Fort Wayne, this time, students at Levan Scott Academy knew the pilot! It was their very own Real Men Reader, Michael Hayes, who flew overhead the elementary school during recess time, waving to students below. As part of Big Brothers Big Sisters' Real Men Read program, Michael regularly visits one of Levan Scott's 3rd grade classrooms for an hour of reading and fun. Before giving them this lifelong memory, he prepped

his 3rd graders by reading them a book about airplanes. This was the 3rd year in a row that Michael organized this one-of-a-kind flight plan, partnering with Sweet Aviation.

Michael's own love of flying inspired this special fly-by, as he holds a degree in aviation aeronautical technology, as well as his hope to inspire little ones to dream big and fly high.

Watch Michael's 2024 flight coverage to Levan Scott Academy on YouTube

School Buddies FORT WAYNE METALS TEAMS UP FOR LUNCH

One of the biggest supporters of the School Buddies program—and Big Brothers Big Sisters as a whole—is Fort Wayne Metals. Many of their staff had already participated in the program; However, in 2024, the company took their partnership with our agency even further, "adopting" the local elementary school.

Chase Lockwood was at the forefront of getting this internal initiative started, which now encourages all employees to participate in School Buddies at the nearby Waynedale Elementary. The drive from the company is quick, but any employee who wishes to join is allowed any extra lunchtime they need to do so, making the program feel accessible to anyone. Staff have even taken it upon themselves to uplift their fellow co-worker School Buddies, holding meetings every few weeks at their office to exchange stories and advice.

Stephanie, a Department Team Lead at Spooling within Fort Wayne Metals and a School Buddy, mentioned, "Fort Wayne Metals is about helping the community, and this is their way of being able to help out."

Big Leap LITTLE SISTER IRASEMA

Recent Alumni **Little Sister Irasema** graduated from the University of Notre Dame in 2024 and is currently working on her master's in migration studies at the University of Oxford in England.

Her Big Sister, Maggie, helped Irasema navigate her teen years and inspired her to be independent and confident doing anything she aspires to do.

Irasema plans to apply to law school, with the ultimate goal of becoming a human rights attorney and eventually expanding her work to provide social services to immigrant children worldwide.

You can read more about Irasema's story on the next page.

BIG DREAMS

Growing up in a first-generation immigrant household with a hardworking mother, Irasema faced many challenges, but her Big Sister Maggie became a constant source of support and inspiration, helping her embrace confidence and independence.

Motivated by Maggie's mentorship, Irasema co-founded Stronger Together Unidos to support Latino students and families. Her passion for advocacy continued through her studies at Notre Dame, where she co-led initiatives and interned with U.S. Rep. Alexandria Ocasio-Cortez through the Washington Program.

During the summer before she went to Oxford, Irasema assisted in establishing the Frank Zirille Scholarship Program. Through this work, Irasema has contributed to a lasting legacy of supporting young people's dreams.

Now pursuing a master's in migration studies at Oxford and planning to attend law school, Irasema aims to become a human rights attorney and expand services for immigrant children worldwide. Her journey is a powerful testament to the impact of mentorship and the drive to give back.

MAGGIE & KEELY

When Keely was matched up with Maggie, she felt more guarded and kept her distance, despite secretly enjoying Maggie's warm personality and all their outings. Maggie had to keep trying to break through Keely's shy personality, and eventually her efforts paid off with Keely feeling much more comfortable with this consistent, giving, and loving person.

Maggie was there for her Little through bouts of depression and anxiety, helping her Little Sister realize she had a purpose she was meant for in the world. She soon realized that this purpose was being a mother. Maggie assured her she would be there for her every step of the way, and now she is a "grandma" to Keely's baby.

TWO BROTHERS

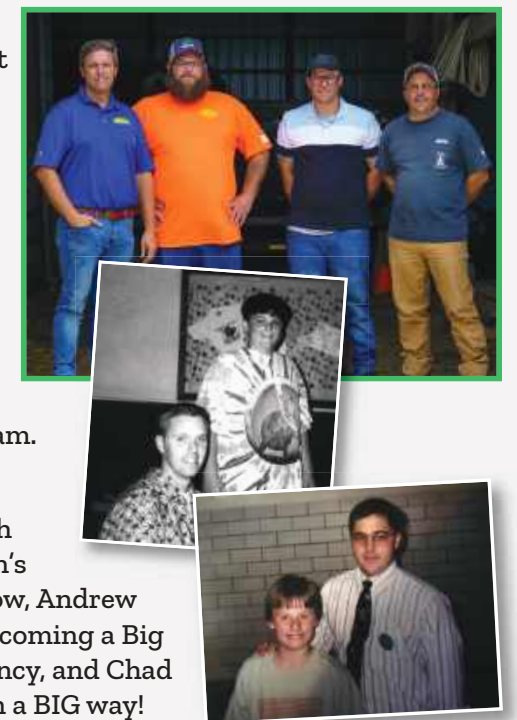

In the late '90s, brothers Chad and Andrew Bohde found themselves in need of strong male role models. Their mother turned to Big Brothers Big Sisters where each of her sons was matched with their own Big Brother through our School Buddies program.

Little Brother Chad was matched with Big Brother Don. After switching to Community-Based mentoring, the two liked to do anything where they could be together and have fun. Chad was like a first child to Don, and the two became like family. Andrew didn't know what to expect from getting a Big Brother, and Michael didn't expect that he'd be in detention the first few times they met! The young Andrew had not been a fan of doing his homework,

but Michael firmly but encouragingly told him that it was time to start getting to do things and stop going to detention.

The lives of these 4 continued to intertwine, providing a network of friendship and support. Both were matched for 6 years, eventually graduating from the program.

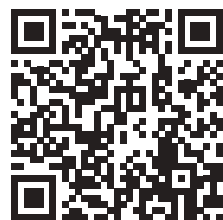

The two have since kept in contact with their Bigs, with Chad even helping with Don's family farm on occasion. Now, Andrew is starting his process of becoming a Big in Texas, his current residency, and Chad wants to give back locally in a BIG way!

The Frank Zirille Scholarship fund provides renewable four-year scholarships to graduating Littles in the BBBS program, bridging financial gaps for their higher education or vocational training. In 2024, the second-ever recipient was announced as Little Brother Jordan, who has been matched for over a decade now.

JORDAN DEWALT

2024 Frank Zirille
Big Brothers Big Sisters
Scholarship Recipient

Watch his Match Story

First meeting in 2015, Jordan and his Big Brother Brad initially bonded over a love for chicken wings and sports, and then over the tragic loss of their mothers. Jordan hasn't let his struggles dampen his spirit and has remained the same happy kid Brad met all those years ago. His focus and determination are something Brad admires, noting not everyone can accomplish the things young Jordan has, and to do it all while maintaining a positive outlook is definitely a marvel.

"My mom inspired me to look inside the medical field," Jordan said, "and I still want to play football after high school, if I can get a football

scholarship." And with the support of Big Brother Brad and the Frank Zirille Scholarship, he is now making strides towards accomplishing his goals.

Jordan completed 1.5 semesters of college at St. Francis University, where he was working towards a bachelor's in computer/data science. The financial and gap-filling assistance provided by this scholarship has allowed Jordan to rework his plans for the future. After his fall semester of sophomore year, Jordan made the decision to change his major. When he returns to college, he plans to continue his education in a new direction through Ball State's radiology program.

PATRICK & TYSON

Patrick and Tyson were formally introduced in 2013 when Tyson was 13. This Big Brother made it clear he was ready to encourage whatever path Tyson chose for himself, leading to them spending countless hours on the soccer field together.

Patrick, whose biological brother passed away when he was young, knew what it was like to have a missing family member and was also able to be there for his Little Brother in that way. Tyson is starting a new chapter of his life as well, just recently graduating and beginning his first job as a medical professional, and also with his now-fiancée. Both feel that their match has changed the trajectory of their lives for the better, providing new outlooks on life and a feeling of unwavering support.

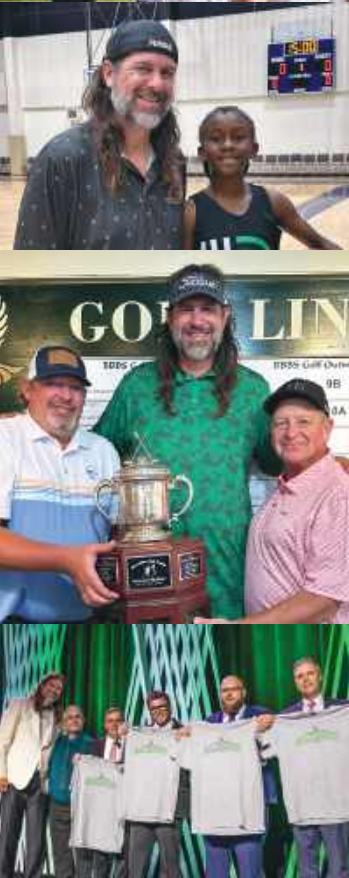

Brad Miller NECK OF THE WOODS

The 3rd Annual Brad Miller Campout took place late summer of 2024, allowing over 40 Bigs, Littles, and staff members to enjoy the last stretch of summer in the great outdoors. Matches gathered in Fremont where they learned skills like pitching their own tent, camping knowledge, and survival skills they'd need for the night. For the 3rd year in a row, Brad Miller once again shares his love for the natural world with the Littles in the program, much like it was shared with him.

The sold-out 21st Annual Brad Miller Gala, Auction, & Golf Outing was a proud moment for Big Brothers Big

Sisters after raising \$743,406 in total for matches in our one-to-one mentoring programs. This night of high-energy fun and excitement garnered almost 1,000 attendees who showed up to support the cause and try to win these unique showcases. For the Golf Outing portion of this event, there were 104 teams in total across the Sunday and Monday sessions.

These different events would not be possible without the continued support from Brad Miller, exemplifying his generosity and commitment to the cause.

CHARITABLE FOUNDATION

NIPSCO
A NiSource Company

CONSERVATION BUDDIES

Mentorship in the Outdoors!

In 2024, Big Brothers Big Sisters continued the momentum NIPSCO and NiSource started with Conservation Buddies. One of last year's goals was to create more community partners for this program, opening up even more opportunities for our Littles to experience things they never have before and learn how to achieve a greener future. This vision was carried out through several new or strengthened partnerships in 2024.

Partnerships with local organizations like Little River Wetlands Project, Eagle Marsh, Fort Wayne Ducks Unlimited, the National Wild Turkey Federation, and more helped expand opportunities for Littles to learn about Northeast Indiana's ecosystem and provide new experiences our Littles might not have access to.

These different partners truly stepped up this year to educate the next generation of conservationists, informed citizens, and earth-lovers!

In Loving Memory

TOM HENRY 1932-2024

Mayor, City of Fort Wayne

From the bottom of our hearts, we want to thank Mayor Tom Henry for his steadfast support of Big Brothers Big Sisters. A man of principles, Mayor Henry had a passion for our mission, always supporting the agency in any way possible. Rather than just verbally endorsing, he acted on his principles, contributing to the agency as a donor, volunteer, as well as a dedicated supporter of our annual fundraisers.

Whether reading to children as a Real Men Reader or donning bowling shoes to raise funds for Bowl for Kids’ Sake, Mayor Henry embodied the spirit of servant leadership, leading by example and inspiring others to follow suit.

DON MAUCH 1932-2024

Pioneer, Leader, and Beloved Friend

Don’s legacy within Big Brothers Big Sisters and the broader community is profound. His dedication to Big Brothers Big Sisters since its inception in 1972 has left an indelible mark on our organization and countless lives touched.

As the first board president and a founding member of the Gourmet Dinner Committee, he exemplified unwavering commitment and passion. His unparalleled achievement of attending this event 50 consecutive years stands as a testament to his enduring legacy, unwavering dedication, and steadfast commitment. May we always remember Don as ‘The Leader of the Band,’ a guiding light whose impact will endure for generations.

2024 AWARDS & RECOGNITION

The Northeast Indiana chapter was awarded with the Growth Standard Award by Big Brothers Big Sisters of America, along with the BIGGIE Award in Video (Silver).
