ANNUAL REPORT 2025

MISSION

To create and support one-to-one mentoring relationships that ignite the power and promise of youth

VISION

For all youth to achieve their full potential

PASSION

To see all children achieve success in life

A Message from Our CHIEF EXECUTIVE OFFICER

JOSETTE RIDER

Dear Donors, Volunteers, and Supporters,

As I reflect on 2025, I am overwhelmed with gratitude for the incredible community that continues to stand beside Big Brothers Big Sisters of Northeast Indiana. Because of your generosity, advocacy, and belief in the power of mentoring, more young people across our region are discovering their potential and building brighter futures.

This year, we proudly served 1,239 youth through mentoring relationships and created 368 new matches between caring adults and young people who needed someone in their corner. Yet even as we celebrate these milestones, we remain mindful that 307 children are still waiting for a mentor. Their names, stories, and potential inspire us every day to continue growing our mission.

The true impact of our work can be seen in the lives of young people like Makia Lucas. Alongside her Big Sister, Briana, Makia persevered through unimaginable loss and hardship while continuing to pursue her goals with determination and resilience. Her story became a national story when she and Briana were named Big Brothers Big Sisters of America's Big and Little Sister of the Year. Makia's journey reminds us that mentorship is not about solving every challenge—it is about showing up, staying present, and helping a young person believe they can overcome obstacles and achieve their dreams.

We also celebrated the achievements of our graduating Littles, including scholarship recipients Makia and Rakiya Jackson-Totton, who received the Frank Zirille Big Brothers Big Sisters Scholarship to help pursue their educational goals. Their accomplishments reflect the power of long-term mentoring relationships and the limitless potential within the young people we serve.

Beyond individual success stories, our programs continue to create measurable impact. Eighty-five percent of Littles graduated high school, 85 percent reported doing better academically, and 74 percent improved school attendance. Youth in our programs are developing stronger emotional regulation, healthier relationships, and the confidence to pursue new skills and goals.

None of this happens without you. Every donation, volunteer hour, partnership, and word of encouragement helps ignite the power and promise of youth. Together, we are creating life-changing relationships that strengthen families, schools, and communities throughout Northeast Indiana.

Thank you for believing in our mission and for investing in the next generation of leaders, dreamers, and changemakers. We look forward to continuing this important work alongside you.

With gratitude,

Chief Executive Officer
Big Brothers Big Sisters of Northeast Indiana

A Message from Our BOARD PRESIDENT

JOHN MARSHALL

Dear Donors and Supporters,

On behalf of our Board of Directors, thank you for your continued commitment to Big Brothers Big Sisters of Northeast Indiana. Your support makes it possible for our organization to remain strong, innovative, and focused on creating opportunities for young people across the communities we serve.

This year was defined not only by impact, but by momentum. As a board, we are especially proud of the strategic progress made in strengthening our programs, expanding partnerships, and positioning the agency for long-term success.

One example is the launch of our newly enhanced Big Impact Partners initiative. This program reimagines corporate engagement by encouraging businesses to do more than provide financial support. Through volunteerism, workplace presentations, career exploration opportunities, and youth enrichment experiences, our partners are becoming active participants in helping young people realize their potential. The enthusiasm of our Dream Makers, Visionaries, and community partners demonstrates what is possible when businesses invest not only in our mission, but directly in the future workforce and leadership of our region.

We also experienced meaningful growth through innovation. Big Brothers Big Sisters of Northeast Indiana was selected to help pilot Authentic Conversations, a nationally designed training program focused on strengthening relationships between Match Support Specialists, mentors, youth, and families. The opportunity to lead this work reflects the expertise of our staff and our reputation for excellence throughout the Big Brothers Big Sisters network.

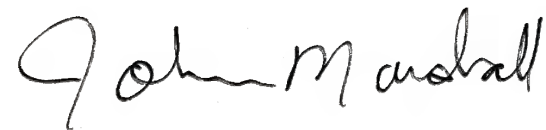

Another encouraging development was the revitalization of our presence in Steuben County. Through renewed recruitment efforts and the return of School Buddies programming, we began rebuilding mentoring opportunities in a community that experienced significant declines following the pandemic. These steps are foundational to our broader goal of ensuring youth throughout our service area have access to quality mentoring relationships.

Our commitment to excellence was further recognized nationally. Big Brothers Big Sisters of America honored our agency with a Platinum Award for Program Excellence, named us a Board of the Year recipient among mid-sized and large agencies, and recognized our volunteer recruitment efforts with a Gold Award for the "Everyday Heroes" campaign. These honors affirm the effectiveness of our team, volunteers, leadership, and supporters.

As we look ahead, we are energized by the opportunities before us. While challenges remain, especially for the hundreds of youth still waiting for a mentor, we are confident that together we can continue building a future where every child has someone in their corner.

Thank you for your partnership, trust, and belief in the power of mentoring.

Sincerely,

Board President
President, Linder Oil Company, Inc.

2025 Big Brothers Big Sisters of America Big & Little of the Year
Warsaw, IN | Matched since 2014

Nationally Recognized, Locally Impacted

BIG SISTER BRIANA & LITTLE SISTER MAKIA

Warsaw, IN | Matched since 2014 | Big Brothers Big Sisters of America Big & Little of the Year

Big Sister Briana and Little Sister Makia had no idea they were gaining a friend for life when they first signed up as School Buddies. With an extraordinary tale of perseverance, Little Sister Makia will be the first to tell you that being an "overcomer" is a lot easier when you have a mentor by your side.

When she first met the Little Sister who would soon change her world, they were off to quite a rocky start. Little Sister Makia's shy nature was hard to break through, but Briana proved repeatedly that she was consistent and caring. After Makia's sister passed away, Briana was there for her Little through the trying time that followed. As the two grew closer, Makia knew she could trust this new adult in her life.

The pair switched to Community-Based mentoring, where they began to learn about each other more deeply and bond over motorcycles. It seemed like they were meant to become friends—even the fact that they both grew up in the same house, years apart, and even had the same bedroom.

But 13-year-old Makia's life would soon be in upheaval, beginning with the death of her father, grandmother, and newborn baby brother within weeks of each other. Through every funeral and trial, Briana was a supportive and comforting adult to turn to.

"She let me grieve. She let me take my time. She was one of the first people to come see me and my family," said Makia.

Briana mentally prepared to see her Little's grades drop after such hardship. However, she would soon learn something about her Little: she never gives up. Refusing to be defined by her past, Makia worked even harder through high school to overcome her circumstances and achieve her dreams of becoming a homicide detective.

Makia graduated with a high school honors diploma and, before that, received her associate's degree in criminal justice. In addition to her stellar educational career, Makia remained highly involved in her community. Now she attends Ball State University, majoring in psychology with a double minor, and it won't be long before she pursues her master's degree.

Although incredibly self-motivated and determined to prevail, Makia doesn't know where she'd be without her Big Sister in her life, and she credits Briana as a steadfast friend to turn to during her losses and an unwavering cheerleader through her accomplishments.

"She's seen me go through the hardest parts of my life, but she's also seen me accomplish some of the best things I've done in my life," said Makia. "I absolutely love her. She's definitely a part of my family and will be for the rest of my life."

Scan this QR Code to watch their story on YouTube

BIG BROTHER NATHAN MOORE

Matched since
2019

Right from the start, six years ago, it was clear Nathan and Little Brother Rovenio were a solid match, both big fans of STEM subjects and cars.

The two can often be found taking trips to visit Science Central, the Botanical Conservatory, and—of course—many car shows! Nathan has modeled how to be a respectful and responsible person, offering guidance and support as Rovenio grows up—whether showing him how to be a caring family member or helping him with homework. Together, Nathan and Rovenio have built a healthy and supportive friendship that both supports Rovenio's current interests and also expands his horizons with new experiences.

BIG SISTER DENISE MILLS

Matched since
2016

Having a mentor, especially someone as loyal as Denise, allowed Little Sister Darleen to have someone to lean on through any challenges she was going through.

Over their nine years of mentorship, Denise's main goal was to balance teaching life lessons, like prioritizing school, with being a fun relief from the real world. Because of this hands-on mentorship style, Darleen personally feels she has strengthened her critical thinking skills. Having a mentor has also developed her ability to interact with adults and her overall confidence in herself. Over many years of watching movies, cooking dinners, eating out, painting pottery, and strolling through the park, the two continue to grow closer. Darleen has someone to confide in, sharing her thoughts and feelings about anything.

BIG COUPLE ANDREW & ALEX YANEY

Matched since
2017

It didn't take too long before this trio bonded over their shared faith and a love of sports.

Andrew and Alex began incorporating Little Brother Jesus into the normal, everyday aspects of their life, like cooking homemade meals together or baking cookies. Since they first met eight years ago, the three have become a lot busier than they once were, especially since Jesus has now graduated high school and has a full-time welding job. As he gets older, Jesus finds himself seeking out his Big Couple's wisdom and worldly advice. From lessons on saving money to college and career paths, Jesus knows he can ask them anything, and they'll always be there to answer.

SCHOOL BUDDY EDWARD DEWITT

Volunteer since
1999

When Little Brother Coleton and Edward first met three years ago, Coleton mostly spoke in one-word answers.

The only time the reserved elementary schooler would contribute more to a conversation was to speak on video games, his favorite subject. However, Edward persisted, and soon the two became good pals. Now, there is never a dull moment between these two, with their chatter and laughter, often at Edward's hilarious jokes, taking up any silence. Together, they eat their lunches before moving on to board and card games. And if they have the energy (which they frequently do!), they hang out on the court to play sports. This seasoned Site-Based Big has been matched numerous times for 26 years, beginning in 1999!

REAL MEN READER MORGAN BOUDLER

Reader since
2016

Real Men Reader Morgan began his involvement with our agency over 30 years ago, in the 90s, when he served two consecutive terms on the Board of Directors for Big Brothers Big Sisters.

He puts his love for the mission into action with his years and years of volunteering to make a difference in the lives of young people. Morgan has been part of our RMR program for the past nine years, since October 2016, and before that, he had been a School Buddy six times. Morgan's sincere, kind spirit allows him to get along great with his classes throughout the years. His genuine love for uplifting youth and Real Men Read makes him one of the school's most beloved volunteers, with staff always singing his praises.

ROOKIE OF THE YEAR LIZ BRADEN

Matched since
2024

When Liz and Brielle's Match Support Specialist introduced the two, she was worried about this new match.

Brielle was so quiet, it seemed as though she wouldn't talk to Liz. While this was true at first, Brielle just had to get to know her new School Buddy. Week by week, she began opening up to Liz, sharing more about herself and how her life was. The best example of how far their match has grown was a day of coloring together. Brielle finished her drawing of herself and her Big and held it up for Liz to see. Across the middle was a simple message: "You're my best friend."

CLASS OF 2025

Every year, we recognize our graduating Littles and their incredible accomplishment as they head into the next phase in their lives. Together with Bigs, BBBS staffs, and board members, we embrace their potential and their big futures ahead!

Thank you for investing in the full potential of the children we serve

THE FRANK ZIRILLE BIG BROTHERS BIG SISTERS SCHOLARSHIP RECIPIENTS

The Scholarship Program provides renewable four-year scholarships to graduating Littles in the BBBS program, bridging financial gaps for their higher education or vocational training. In 2025, two Little Sisters—Makia & Rakiya—were awarded the scholarship to pursue their dreams after high school.

**LITTLE SISTER
MAKIA**
Warsaw, IN

**LITTLE SISTER
RAKIYA**
Fort Wayne, IN

Makia does everything with a steadfast determination to be her best self. As a result, she just graduated with an Honors diploma from high school, and she got to take home an associate's degree in criminal justice at 17 years old. Makia was a member of the National Honor Society, ran track and field, and served as President of the JAG Career Association. In addition to her stellar educational career, Makia even remains highly involved in her community, working as a defense attorney for Teen Court.

Makia continues crafting her bright future at Ball State University, where she is pursuing a bachelor's degree in psychology, with her eye on a master's in criminal justice as well. Her end goal is to be a homicide detective with the FBI, and with assistance from the Frank Zirille Scholarship, 21st Century Scholarship, and Ball State Scholarship, she is one step closer to making this dream a reality.

This Little Sister is full of resolve and purposeful efforts, with many awards and scholarships to show for it. Rakiya's prowess in sports earned her a K Award for volleyball, a four-year varsity letter award in softball, and the Softball MVP award. Even in her busy senior year, Rakiya's well-rounded capabilities earned her a position in the top 10 of her class.

To aid her next goal of majoring in construction management and business at Ball State University, Rakiya received the Frank Zirille Scholarship, the Todd Fritch Construction Management Scholarship, a Red Cross Scholarship, and a Ball State Scholarship. She hopes to one day be the CEO of a construction business, and we can't wait to see her go after this goal!

AUTHENTIC CONVERSATION

The Authentic Conversations pilot, designed for Match Support Specialists, provides real-life examples, tips, and guidance to navigate tough conversations and make check-ins with matches feel more natural and conversational.

The pilot prepares Match Support Specialists for the different dynamics they may encounter while working with Bigs, Littles, and families. A strong Match Support team that can successfully make genuine connections with youth and mentors leads to longer, stronger, and more impactful matches.

This nationally designed training pilot was entrusted to Big Brothers Big Sisters of Northeast Indiana for initial testing and feedback, due to the agency's track record of innovative, nationally recognized programming. Staff from neighboring agencies traveled to Fort Wayne to participate in the first module sessions, taught by program team leads Jassmine Moreno and Veronica Engle. The two then traveled to Louisville, Kentucky, to administer the final modules. Their involvement in developing Authentic Conversations highlights the pioneering drive of our agency.

STEBEN COUNTY'S REFOCUS ON GROWTH

As part of greater efforts to restore the number of youth BBBS serves to pre-COVID levels, the agency made action plans for increasing its presence in outer counties.

One of these areas, Steuben County, saw a significant decline in program numbers, reaching a low of seven community-based volunteers, with the last School Buddy match served in 2021. 2025 saw a small but promising re-establishment of the School Buddy program in Steuben. Three community members volunteered to meet up with a Little at Carlin Park Elementary School for a lunch period full of games, snacks, and having fun.

As one of our simplest programs, School Buddies is one of the best ways to begin involvement with the agency. The reboot of School Buddies in Steuben, bringing the number of youth served up to 11, marks an optimistic start to revitalizing our volunteer base in the region.

First School Buddy matches in Steuben County

HEYDUDE, A WEDDING!

Courtney was first enrolled in the program at 11 years old after her mother passed away following a battle with breast and brain cancer. She credits her Big Sister Josette Rider with helping her build her confidence back up after this tremendous loss. To Courtney, Josette isn't just someone she met through a program: **"She's not just a Big Sister now. She's family."**

Four years ago, Courtney's boyfriend, Joey, found out he had a cancerous spot in his mouth. Through his surgeries and a great period of uncertainty, she focused on their future and had faith it would all be alright.

And she was right. After Joey's second surgery, they found out that he was officially cancer-free. When Courtney and Joey got engaged, Josette knew her Little deserved something special.

It's impossible to know Courtney without learning that she is the biggest HEYDUDE fanatic. In fact, when she started planning her wedding, the first thing she said was that she needed a dress that wouldn't require heels: she wanted to wear HEYDUDE shoes.

Josette got in touch with Big Brothers Big Sisters of America (BBBSA), knowing that they have a partnership with HEYDUDE. As a surprise, Courtney received a gift of about 20 pairs of HEYDUDE shoes in total for herself and her bridal party.

The brand went above and beyond for the bride, setting her up with a pink pair to match her bridesmaids, some getting-ready slippers, a bride-ready white pair for the ceremony, and a custom sparkly set for the reception! Her fiancé, Joey, also received 3 pairs for his special day.

This unforgettable surprise left this newlywed with a testament to the lifelong and supportive relationships she has formed and the generous spirit that can exist in strangers.

BIG IMPACT PARTNERS

With a newly redesigned partnership booklet, the Development team has never been more equipped to create lasting, impactful partnerships that go deeper than financial support.

The revamped Corporate Community Partnership program, Big Impact Partners, aims to create more intentional partnerships, with enrichment of our Littles as the driving force behind it all. Companies are now asked to volunteer for events, provide job tour/shadow opportunities, and invite BBBS to present on programs to their employees. The deepened involvement from partners enhances cross-departmental collaboration on agency goals such as recruitment, Big Futures offerings, and Match Activities.

As a non-fee-for-service organization, everything BBBS provides and offers for the kids in our program, families, and volunteers is at no cost to them. Donations, Big and Little, are the reason we are able to cover our program costs. Thanks to our 10 Dream Makers, 14 Visionaries, and two trailblazers, thousands of kids in our area have a renewed outlook on life and have recognized their potential to achieve their dreams.

2025 AWARDS & RECOGNITION

RECOGNIZED BY BIG BROTHERS BIG SISTERS OF AMERICA

Platinum Award
The Platinum Agency Award acknowledges the Big Brothers Big Sisters agencies that demonstrate leadership in delivering high-quality, impactful mentoring programs.

Our agency's excellent performance, outcomes, and operational strength position us as one of the rising agencies across the country.

Board of the Year
Board of the Year honors Boards of Directors with exceptional leadership, mission-focused work, and direct impact on the agency's growth, fund development, advocacy, and stewardship.

2024 was the first time in several years that our agency saw an increase in matches, undoubtedly in part due to the Board's strategic vision, hands-on involvement, and unwavering commitment to uplifting young people.

Gold in Recruitment
The BIGGIE Award for Recruitment recognizes our "Everyday Heroes" campaign for creative excellence and measurable impact in marketing and communications.

Our gold honor in this category celebrates how our marketing branding, and outreach.
